Merchants Exchange

327 Seymour Street, Vancouver, B. C.

THIS VERY POPULAR RESORT has recently been purchased by Messrs. Doswell & Rollins, who are thoroughly renovating the whole place from top to bottom with new carpets, toilets, furniture, etc., and when completed will be second to none in the city. Mr. Doswell, late of the Leland Hotel, needs no introduction to the public of Vancouver, while Mr. Rollins, although not so well known as his partner here, has had 25 years' experience in the hotel business in the east, and is a thorough up-to-date and popular hotel man. Under the guidance of two such gentlemen the popularity of this house is assured. They are both great dog and horse fanciers, besides being two of the best supporters of good clean sport of every description in the city. Parties wishing to be well treated should not fail to give this house a call : : : : :

"New Art" Bell Pianos

1904
Model

The same as is in the King Edward Hotel, Toronto

Dr. A. S. Voght, conductor of The Mendelssohn Choir, Toronto, says, under date of December 9, 1903: "I take this opportunity of congratulating you upon the excellence of the pianos being manufactured by your firm. A CRITICAL EXAMINATION of the MANY DETAILS which enter into the manufacture of a first-class instrument has convinced me of the SUPERIOR CHARACTER of THE BELL PIANO. The touch, tone and general finish of the pianos of your firm, combine to make the Bell Piano an instrument of which the manufacturers may well feel proud."

We like to have "Critical" people call on us. They buy the "New Art" Bell. Like Dr. Voght, they appreciate "Their Superior Character." Over 300 Bell Instruments have been sold in Vancouver and vicinity in two years.
